Noted Author Shot

NEW YORK, January 23d—David Graham
Phillips, Editor, publicist and novelist, was shot
six times today as he approached the Prince-
ton Club by Fitzhugh Coyle Goldborough, a
Harvard man, who immediately afterward
committed suicide.

Phillips fought valiantly to live, but six bullet
holes were too much even for his grit and
sturdy constitution, and he died in Bellevue
Hospital last night.

Kentucky Sheep Quarantined

The entire State of Kentucky is now under
quarantine by the United States Department
of Agriculture on account of the prevalence
of sheep scabies, and the disease is on the in-
crease among the flocks of sheep throughout
the State. The scabies appeared in 15 new
counties in 1910 and is becoming general in a
number of other counties.

Commissioner of Agriculture Rankin says
that the prevalence of this disease is seriously
interfering with the Kentucky sheep industry,
and has practically ruined the stock sheep
trade in several of the localities in the State
that have been noted for their fine sheep.

was given 100 days in jail.

NOTED CASE

**Wall Will Case Finally Settled By
Court of Appeals.**

The case of Lydia E. Dimmitt vs. A. H.
Wall and others was yesterday affirmed by
the Court of Appeals.

This closes the last chapter in this now
famous case, in which Mrs. Dimmitt contested
her mother's will. It has been in the Courts
for more than ten years and has been tried
five times, once resulting in a mistrial and four
times in favor of plaintiff, Mrs. Dimmitt.

The Court of Appeals three times reversed
the decision of the lower Court.

Attorneys W. D. Cochran and Thomas D.
Slattery represented Mrs. Dimmitt, and E. L.
Worthington, Thomas R. Phister, Judge G. S.
Wall and Judge Apperson represented Wall's
Executor.

We might devote an entire ad to the extraordinary values we are giving in just
one line in this sale—The Dollar Nightgowns—and still not do justice to the subject.
You have paid \$1½ here and elsewhere for just such gowns as we now offer for \$1.
The material is fine soft Nainsook or lingerie cloth. The garments are cut full and
long. There are fully twenty-five different trimming effects in tucks, lace, embroidery
and ribbon-run beading. But generous as the assortment now is, don't wait until next
week and then expect to find the same broad variety you will today.

And don't forget this item is only one of many equally good.

INTEREST MAINTAINED

Countless pieces of dainty Muslin Underwear have vanished under the vigorous selling of the past
few days, for women know and appreciate this sale and its opportunities. We went about it the right way.
No make-believe tilting with prices but a fixed purpose—based on business common sense—to provide the
BEST UNDERWEAR at a price seductively low for you but fair to ourselves and to those who made the
pretty things. You see this exemplified in

The 25c and 50c Corset Covers.
The 59c, 75c and \$1 Petticoats.

The 25c, 39c and 50c Drappers.
The 50c and \$1 Nightgowns.

As well as in the dainty copies of French lingerie. Prove it today. Come in, we can interest you.

When you are in the underwear section, the Suits and Dresses are so near, it won't take a moment to
inspect the splendid values we are giving in them. Positively the biggest bargains in women's ready-

LIEUTENANT GOVERNOR COX is no pigmy, but when his measure is correctly taken he measures up among the big men of the State.

His services as Senator for several years from a Democratic District show him to be a man of marked ability and very popular with the people. His record as

a presiding officer and also Acting Governor in the absence of Governor WILLSON place him in the front rank, both as a parliamentarian and as an Executive. His honesty and ability fitly qualify him for the high office of Governor, and his genial good nature and generous kindness toward those less fortunate than himself make him a popular idol of the people and would insure his election in case he is nominated.

Of course, there are other good Republicans in Kentucky who reflect credit on themselves and their party, but the three men mentioned are the ones most prominently mentioned as candidates for Governor, and doubtless one of the three will be nominated, and whichever one it may be, the party will have a candidate that all true Republicans can proudly follow, and if either of the three is elected we would have a Governor of which any people might justly be proud.

Republicans, cheer up. Our skies are getting brighter every day. We have at least an

equal chance with the Democrats. Let us unite. Let us lay aside our bickerings and our factionalism. Let us present a solid front to the enemy. Let us proclaim the great principles of the party from the Big Sandy to the Mississippi and from the Ohio to the Tennessee line. Let every Republican, every voter in every nook and corner of the State, know that the Republican party is a party of time-honored principles; that it is worthy of their confidence; that it deserves success, and we shall succeed.—Somerset Republican, January 14th.

CHAMP CLARK's picture now has EVELYN THAW's and TEDDY ROOSEVELT's faded to a 2-spot.

THE esteemed New York World will always retain a kindly feeling for the U. S. Supreme Court. What a difference it makes with these old women whose dress is gored.

THE newly elected Senator from Ohio neither drinks, smokes nor swears, which will, of course, give him more time to attend to the business for which he was elected.—Philadelphia Press.

The Buckeye gentleman won't reside in gay Washington City many years until he will smoke, drink and swear with the best of them.

If Congressman BEN JOHNSON is compelled to rid himself of his opponent, ex-Governor McCREADY, he might try shooting him. JOHNSON is a shooter from away back and has already killed one man. It would be a shame on old Kentucky if she should ever elect a man of JOHNSON's caliber to be Chief Executive. Better a million times JAMES, or even STANLEY, with all his windy and Populistic ravings, than JOHNSON.

When will Maysville People Learn the Importance of It?

Backache is only a simple thing at first; but when you know it from the kidneys; That serious kidney trouble follows; That diabetes, Bright's disease, may be the fatal end.

You will gladly profit by the following experience.

The honest statement of a sufferer who was cured.

Thomas Rusk, East Second street, Vanceburg, Ky., says: "I suffered from kidney trouble and inflammation of the bladder for over ten years, some of the attacks being so severe that I really thought I would die. A complete retention of the kidney secretions existed and I called a doctor who drew the secretions from me with an instrument. None but those who have gone through this can imagine the suffering I endured. Some time ago I saw Dean's Kidney Pills advertised and I procured a box. Since using them I have had not had any trouble from my kidneys."

BURLEY UNION

SESSION TODAY

Trust is Declared to be Backing Movement in Various Counties to Prevent a Cut-Out

The Board of Directors of the Burley Tobacco Union will meet at the Fayette County Courthouse this afternoon at 1:30 o'clock. The principal business will be the hearing of reports on the progress of the campaign for the cut-out of the 1911 crop. The meeting will be open to tobacco growers and the public generally.

Campaign Chairman Bradley Wilson reiterated his belief that the fight for the cut-out is won. It is declared by some of the workers for the Burley Tobacco Union yesterday that the Tobacco Trust itself is bucking the movement against the cut-out in a number of counties and that men in sympathy with the Trust have been working up dissatisfaction among the farmers for weeks past, in fact since the movement for a cut-out was started.

one hundred and five added to Church; salva-

examining trial will come up this afternoon
before Judge Whitaker in the Police Court.

TRAFFIC IN VOTES

The Fleming County Grand Jury
Gives Timely Warning

The Fleming County Grand Jury was in sess-
ion last week, and The Gazette says the most
sensational and important part of its report
was its warning against vote-buying and sell-
ing in the future.

The report followed special instruction from
Judge Newell regarding such infractions of
the law and in part read—

"We, the Grand Jury, feel it is our duty to
warn the political parties in this county to
cease the traffic of buying and selling votes.
Whilst we have not had sufficient evidence
before us to find an indictment, yet we feel
sure the election laws are continually violated
in this county."

THAT AWFUL BACKACHE

Cured by Lydia E. Pinkham's
Vegetable Compound

Morton's Gap, Kentucky.—"I suf-
fered two years with female disorders,
my health was very bad and I had a
continual backache which was simply
awful. I could not stand on my feet
long enough to cook a meal's victuals
without my back nearly killing me,
and I would have such dragging sensa-
tions I could hardly bear it. I
had soreness in each side, could not
stand tight clothing, and was irregular.
I was completely run down. On ad-
vice I took Lydia E. Pinkham's Vege-
table Compound and Liver Pills and
am enjoying good health. It is now
more than two years and I have not
had an ache or pain since. I do all my
own work, washing and everything,
and never have the backache anymore.
I think your medicine is grand and I
praise it to all my neighbors. If you
think my testimony will help others
you may publish it."—Mrs. OLLIE
WOODALL, Morton's Gap, Kentucky.

Backache is a symptom of organic
weakness, or derangement. If you
have backache don't neglect it. To
get permanent relief you must reach
the root of the trouble. Nothing we
know of will do this so surely as Lydia
E. Pinkham's Compound.

Write to Mrs. Pinkham, at
Mass., for special advice.
Will be absolutely
free and the advice free.
